

## Study Abroad Financial Planning Worksheet

Map out your study abroad expenses and sources of funding. The **STUDY ABROAD EXPENSES** section, below, lists typical program-related expenses. For data to complete this section, refer to the Semester or Short-Term Financing Study Abroad Brochure and the program-specific pages on the CSBSJU-Global Portal. The **SOURCES OF FUNDING** section, below, provides descriptions of typical resources that students use for funding study abroad. **REMAINING OUTSTANDING EXPENSES TO BE COVERED** calculates the amount you still need to budget by subtracting Total Estimated Expenses from Total Available Funds for Study Abroad.
